# Twenty-Seventh Annual Report

OF THE

## ROYAL HOSPITAL,

RICHMOND, SURREY,

*Read at the Annual Meeting of Governors and Subscribers held  
at the Hospital on Saturday, February 23rd, 1895.*

---

THE REV. CANON PROCTER, M.A.,

IN THE CHAIR.

---

IN presenting their Twenty-Seventh Annual Report to the Governors and Subscribers of the Royal Hospital, Richmond, the Committee of Management are glad to be able to show a balance of £210 17s. 11d. in the hands of the Treasurers instead of the balance of £11 0s. 6d. shewn on the 31st of December, 1893, to attain which result the sum of £500 consols had to be sold. The present balance is, however, solely due to the unusual amount, viz., £972 5s. 8d. received in legacies during the past year, which has enabled the Committee to replace the £500 sold out of their funded property in 1893.

The Committee are glad to be able to report a gratifying increase of £34 8s. 11d. in the Hospital Sunday Collections, although the income received from that source still falls considerably short of what used to be realised a few years ago, while the amounts received from the Friendly Societies of the District, and from the Collecting Boxes, continue to show a small but steady annual improvement. On the other hand the Committee much regret that the Annual Subscriptions, which are the most reliable and most valued source of income to all charities, show a gradual decrease during the past six years which has now reached nearly £200.

With reference to the new Building Fund for the enlargement of the Hospital, and the establishment of the "Princess May's Ward for Children" (the scheme originally submitted to H.R.H. the Duchess of York), the Committee have to report that in accordance with the Resolution of the Governors specially summoned on the 17th February, 1894, The "Princess May's Ward" and Isolation Ward have been built, and by a further Resolution of the Governors specially summoned on the 17th November last, Messrs. Soole and Son's further tender for the building of the executive portion of the new buildings (£2,820) has been accepted by the Committee. A further sum of at least £2,000 is required to carry out the second portion of the scheme, and the Committee are indebted to Mr. Albert Chancellor, who has made arrangements with the London and County Bank (by entering into a personal guarantee bond with them), whereby they will advance the sum of £2,000 at 3½ per cent. per annum to the Royal Hospital as it may be required, and the Committee trust, as the work is now in hand, that the whole of the additions and improvements will be completed before the next Annual Meeting of the Governors.

To enable them to pay off this amount, which will otherwise remain a serious debt against the Hospital, the Committee earnestly appeal to the public for donations.

Among the friends and supporters whom they have lost in the past year the Committee regret to have to report the deaths of Dr. Maybury and Dr. Duncan, both of whom had given their much valued services to the Hospital from its establishment in 1868 ; also of Mr. G. T. Noyce, who had been connected with the Hospital from its earliest days, and a member of the Committee of Management for the last twenty years.

The Members of Committee retiring by rotation are Messrs. T. Meadows Clarke, F. Colman, J.P., S. T. Gascoyne, J.P., J. H. Master, J.P., and C. Capel Smith, all of whom are willing to continue their services, except Mr. F. Colman, J.P., who, to the

regret of the Committee, has had to resign his seat on account of continued ill health.

Three vacancies occur on the Committee, viz., by the death of Mr. Noyce, and the resignation of Mr. F. Colman, J.P., and Captain Mitcalfe Dale.

Among the donations of £10 and over received during the past year, the Committee gratefully acknowledge an anonymous donation of £20 ; eleven guineas from the Worshipful Company of Girdlers ; ten guineas from the Worshipful Company of Skinners ; ten guineas from Lady Rugge-Price ; ten guineas from Mrs. Alford ; ten guineas from W. Wilson, Esq ; £10 from W. Panckridge, Esq. ; and £10 from Mrs. Tufnell.

The Committee are indebted to Sir Frederick Wigan, J.P., for a further donation of fifty guineas to the new Building Fund, to Andrew Pears, Esq., J.P., for a donation of £25, to the West London Amateur Dramatic Club (per A. Algernon Chancellor, Esq.) for £22 3s., and to Miss Ellen E. Bond for £10 10s.

The Committee desire to return their very grateful thanks to the many kind friends whose gifts of magazines, books, fruit, flowers, &c., have been most acceptable and welcome to the patients.

In conclusion the Committee desire again to express their thanks to the Medical Officers for their valuable services ; as also to the rest of the staff connected with the Hospital.

ROBERT W. SPARKS, Chairman.

GEORGE C. ROWLAND, Secretary.

---

N.B.—Subscribers having tickets for which they have no demand will greatly oblige by forwarding them to the Secretary, as many applications for tickets are made to him at the Hospital.

Tickets for Convalescent Homes will also be most thankfully received, as they are often much needed.
